COURSEWORK

UNDERGRADUATE

Object Oriented Programming
Web Technology
Operating System
Agile Methodologies
Computer Networks
Compiler Design
Computer Organisation
Machine Learning

SKILLS

Languages

• C • C++ • Python
• PHP • Javascript

Frameworks/Libraries

• NextJS • React • Express.js
• Tailwind • Bootstrap

Databases

• MongoDB • Mysql • Firebase

Tools

• Git • GitHub • Figma

PROBLEMS SOLVED

Leetcode - 300+

GFG - 100+

Coding Ninjas - 50+

HackerRank - 50+

EXPERIENCE

PREPINSTA | WEB DEVELOPER INTERN

Jan 2024 - Present | Remote

- Engaged in real-time application development, gaining practical experience.
- Developed proficiency in the MERN stack through hands-on coding and project involvement.
- Acquired valuable insights and knowledge while contributing to various aspects of software development.

PROJECT

ONLINE PRODUCTS PRICE TRACKER | BACKEND DEVELOPER

Oct 2023 - Dec 2023

The website dynamically showcases price ranges of products across online shopping platforms. Built with NEXTJS, Tailwind CSS, and MongoDB, it leverages Bright Data for web scraping, enabling real-time updates and accurate pricing information.

PLACEHERE - A DRIVE APPLICATION | FULL STACK DEVELOPER

Aug 2023 - Sep 2023

A digital storage solution made with modern tools like Clerk API, Tailwind CSS, NEXTJS, and firestore. Its easy-to-use interface helps you organize files effortlessly. What's best about it is its strong security, ensuring your data stays safe.

ACRO - A E-COMMERCE WEBSITE | FRONT END DEVELOPER

Mar 2023 - Apr 2023

A modern e-commerce platform for electronic items, facilitating buying and selling, boasting a sleek UI design. Developed using HTML, CSS, PHP, and MySQL, it offers seamless user-friendly navigation, and robust intractions for efficient operations.

AREA OF INTEREST

- Object oriented Programming
- Data Structures
- Graph Theory and Graph Algorithms
- Frontend Development
- API Development and Integration

HOBBIES

- Playing Chess
- Listening Music
- Reading Conspiracy theories
- Writing Blogs
- Singing Cini Songs

TRAININGS/COURSES

IMPLANT TRAINING ON ADVANCED WEB TECH TOOLS

NxtGen Intruments, Erode | Jul 2023

IMPLANT TRAINING ON BLOCK CHAIN TECHNOLOGY

Nephron Technologies, Erode | Jan 2023

ACHIVEMENTS

2023	498/1783	Coding Ninjas Weekly Competition
2023	2nd	KEC Top Coder Competition
2023	FINALIST	KAVACH Hackathon College Edition
2023	1st	Computer Society of India's Project Presentation
2023	FINALIST	KEC Hackathon
2023	National	Ranked AIR 28058 in CodeKaze - June'23
2022	National	Top 3000 in Inovate India Coding Championship by AICTE
